The Budget Estimate of the Bellary TK Bd for 1923-24 as approved by Govt and revised with reference to the actual opening balance and the latest estimate of the income from land cess was expected to close with a balance of minus Rs 11,453 (L) vide Statt at

In memo No 4455-2 L+M dt 26-2-24 the TK Bd was allowed to ...

the Treasury till 31-3-24 to the extent of Rs 11,453.

2. The Revised Estimate of the TK Bd for 1923-24 closes with a deficit of Rs 12,802. This deficit is expected to be reduced to Rs 5,806 at the end of 1924-25 by the surplus in the working in that year according to the Budget Estimate as revised by govt. The Budget Estimate for the ~~current~~ year 1924-25 takes credit for the additional cess at 1 pie only. If the rate is raised to 3 pies the deficit of Rs 5,806 will be completely wiped off at the ~~same~~ end of the ~~current~~ year. The finance dept did not agree to give a communal grant to this board. It is proposed (i) to state in the order on the budget that the question of wiping off the deficit of Rs 5,806 will be considered after the report of the Lt Committee is received. Meanwhile the board's cheques will not be honoured in the Treasury as it is expected ~~to~~ have a deficit of Rs 12,802 at the end of ~~the~~ 1923-24 according to the revised

(D) proposed in the original draft but in the G.O it has since been asked to increase the rate of addl cess to wipe off the deficit.

What is the actual balance of this Bd on 31-3-1924 according to the T D C report

Rka
7.5.24

The T. D. C has separately reported that the TK Bd had a minus balance of Rs 1,617 in the Treasury on 31-3-24. Against this the TK Bd would have been paid ~~on 15-4-24~~ about Rs 1,800 ~~on 15-4-1924~~ being ~~on account of~~ ½ of the estimated receipts of the bd from land cess in the current year. It would be paid a similar sum on 15-5-'24. There seems ~~therefore~~ to be no necessity for the bd to overdraw

This has been misplaced by me in my reference papers in my office shelf. It was found by me accidentally today

Land cess credit taken for Rs 21,955 (at this)

on the Treasury. The Bd has not applied for permission to overdraw. No overdrawal need be permitted in the case of this bd.

2 In G.O No 911 L & M dt 7-4-24 (E) (passing orders on the B.E of the Bd for 1924-25) the TK Bd has been asked to levy the additional land cess at 3 pies. Taking credit for this cess, the B.E of the bd for 1924-25 as revised by Govt in the G.O quoted above, closes with a balance of Rs 465. There is therefore no necessity for a compassionate grant to the bd in the current year. The P.D.B Bellary may be informed accordingly with reference to his telegram on page 1 ante. A draft order is submitted below for approval.
